

RFP LEGAL NOTICE

The Legislative Transportation Committee will issue a Request for Proposal (RFP) for services to be provided to the Transportation Performance Audit Board. Approximately **\$75,000.00 - \$125,000** is available for this project. The project should begin by July 1, 2004 and be completed by October 31, 2004.

Activities under the project include: conducting a review of the performance and outcome measures of the Washington State Department of Transportation's (WSDOT) Highways and Ferries programs. **NOTE:** For purposes of this review, WSDOT's Public Transportation, Rail, Aviation, Transportation Partnerships, and Support Service programs are specifically excluded. The Highways and Ferries programs have a biennial budget totaling \$2.6 billion (\$330 million operating and \$2.3 billion capital). The purpose of this review process is to: a) Ensure the Washington State Legislature will have the means to adequately and accurately assess the performance and outcomes of transportation-related agencies and departments, b) Determine if performance audits are necessary, and c) Determine the focus and scope of performance audits, and, d) To recommend to the legislature one or more performance audits based on the findings and recommendations of the performance review.

The RFP will be issued on May 21, 2004. Proposals must be submitted by 5:00pm local time in Olympia, Washington on June 11, 2004, in the office at the address listed below. To obtain a copy of the RFP contact:
